

## **Chorus 1**

Bank Top to Bishop Auckland  
That's Our Line  
So cool and so relaxing  
In the bright sunshine

## **Break**

Waiting. Waiting. Waiting. Oh!

## **Chorus 2**

Shildon and Newton Aycliffe  
That's Our Line  
North Road, Heighington also  
Everything is fine

## Hurry Up Train

**V1** Hurry up train I'm waiting for you  
Hurry up train I'm waiting  
Hurry up train I'm waiting for you  
Hurry up train I'm waiting  
Waiting all on my own  
Waiting for you to phone  
Hurry up train I'm waiting for you  
Hurry up train I'm waiting

**Ch 1** Bank Top to Bishop Auckland, that's Our Line  
So cool and so relaxing in the bright sunshine

**V2** Stuck in the station feeling frustration  
Feeling so sad and lonely  
Need a connection section by section  
Feeling so sad and lonely  
Lonely feeling so blue  
Wanting to try something new  
Stuck in the station feeling frustration  
Feeling so sad and lonely

**Break** Waiting. Waiting. Waiting. Oh!

**V3** Here comes the train I waited for you  
Here comes the train I'm happy  
Here's the connection section by section  
Here comes the train I'm happy  
Happy seeing my friend  
Train appears round the bend

Here comes the train I waited for you  
Here comes the train I'm happy

**Ch 2** Shildon and Newton Aycliffe, that's Our Line  
North Road, Heighington also, everything is fine

**V3** Here comes the train I waited for you  
Here comes the train I'm happy  
Here's the connection section by section  
Here comes the train I'm happy  
Happy seeing my friend  
Train appears round the bend  
Here comes the train I waited for you  
Here comes the train I'm happy
