

Break

I really wanna make connection

I really wanna break this tension

I don't wanna face rejection

I really wanna find invention **x 4**

Last time: I really wanna find it!

Chorus 1

Now - come on our journey and show us
How to find what we are looking for
Try to wonder why
And so be happy in your heart

Chorus 2

Now - come on our journey and show us
How to find what we are looking for
Fly into the sky
And so be happy in your heart

Chorus 3

repeat Chorus 1

Make a Connection

- v1** I - I don't see you
What do I do
How do I make a connection
You - you can't see me
How can it be
How can we make a connection
- v2** We - we don't hear you
Can this be true
Or do we fake a connection
You - you can't pretend
To be my friend
How can we make a correction
- Ch 1** Now - come on our journey and show us
How to find what we are looking for
Try to wonder why
And so be happy in your heart
- v3** I - I can't reach you
Can this be true
Or are we needing invention
We - can we create
Can we relate
I think we're fixing this tension
- Ch 2** Now - come on our journey and show us
How to find what we are looking for
Fly into the sky
And so be happy in your heart

Brk I really wanna make connection
I really wanna break this tension
I don't wanna face rejection
I really wanna find invention

V4 I - I talk to you
It's very true
I think we're finding direction
You - you talk to
me
And now I
see
This is a new re-connection

Ch 4 Now - come on our journey and show us
How to find what we are looking for
Try to wonder why
And so be happy in your heart

Brk I really wanna make connection
I really wanna break this tension
I don't wanna face rejection
I really wanna find invention
